Matters Arising

- (a) The Clerk read a letter from Mr. Bennett, the Divisional Surveyor saying the pot-holes in the village were to be repaired.
- (b) It was reported that the drainage scheme for the village was now "being given attention" & that the R.D.C. appreciated the urgency of the situation.
- (c) It was also reported that the notification of Parish Councils of Planning applications was to be incorporated into the Local Government Bill.

Correspondence There was none.

Recreation Ground & Football Clubs

It was considered that the

meeting with the football clubs had been useful & the Council resolved that the two teams at present using the ground should be allowed to continue. The Clerk was asked to write to Wryhams & Darroze.

Mr. Lawson kindly offered to cut the long grass if his machine was capable.

The Clerk was instructed to find out the cost of Litter bags to be positioned at the entrance.

Report of the Annual General Meeting of Hampshire Association of Parish Councils.

Messrs. Cobbold & Parsons told the Council that they had an interesting day when Lord Denning was in the Chair. The matters discussed were S.E. Hampshire, large vehicles in county lanes & Litter.

Next Meeting was fixed for Monday September 4th.

Any Other Business

(i) Mr. Brown explained the position of the sale of council houses in the village in relation to an apparently substantial profit made recently by a person who had purchased 18 months ago. He said the Housing Committee would investigate the situation.

(ii) Mr. Brown also reported that

four garages may be erected at the end of Hill View Road. It was considered that possibly erecting four would not alleviate the problem of cars in the roadway & that a new council house could possibly be built instead.

- (iii) Mr. Brown told the meeting what he knew about the new Test Valley Authority.

There being no further business, the Chairman closed the meeting.
