Apologies

247. Apologies were received from Cllr Brazier and Cllr Renvoize. Both Councillors had family commitments.

Interests

248. No Councillor declared a personal or financial interest in any matter on the agenda for the Meeting.

Minutes of Previous Meeting

249. The Minutes of the Meeting held on 6/2/2018 were agreed by the Sole Trustee and signed by the Chairman.

Public Participation

250. A member of the public requested more benches; and more signs about fouling by dogs. Chairman Mike Edwards noted that whether either of these could be done will depend on costs.
251. A member of the public feels that because the shop is not open outside normal working hours, many residents have to shop elsewhere: it would be a shame if the shop does not continue to be a success. Chairman Mike Edwards suggested that he should contact the shop committee, as the Parish Council are not part of that project.

Grounds Maintenance

252. *The quotation for grounds maintenance for the year ending 31 March 2019 was accepted.*

RESOLVED

253. School camping on 13 July 2018, and Fayre on 30 June 2018

254. The Clerk is to raise the following points with the School, and ask for their proposals:

- The problem of multiple cars parking along Braishfield Road, and Hill View Road;
- Control of noise during the camping.

255. *It was proposed that the dates of 30 June 2018 and 13 July 2018 are acceptable for the School's camping and Fayre.*

RESOLVED

Car-park

256. Chairman Mike Edwards reported on the condition of the car-park, following re-surfacing and recent clearance of surplus gravel. The areas which had been pooling were not associated with the quality of the repair carried out: They are lower spots in the tarmac. There is also a crack where two older repairs meet; which will need monitoring and repair in the future.

Payments

257. There were no payments made.

Long-term parking

258. Cllr Mark Swinstead reported that the owner of the van has been contacted by the police. The van is to be repaired by a friend of the owner. The owner has been given until the end of week commencing 12/3/2018, after which the police will visit them.

Matters for the next Meeting

259. The following matters will be followed up in the next meeting:

- Action with regard to the thuja trees
- Progress with removing the long-term parked van

Next Meeting

260. The next meeting will be held on 3 April 2018
